

## *Who we are*

At Clear Fork, we believe joy and fullness of life are key components to happy living. We offer a variety of lifestyle programs, designed to see that our residents remain engaged, active, and passionate about living each day with purpose. Our goal is to create a warm and inviting environment that nourishes and inspires the soul.

## *Assisted Living*

Through our assisted living community, we blend activity programs that engage and encourage social interaction and familiarity. Our goal is to create a relaxed and comfortable atmosphere, where friendships are easily formed and enjoyment is woven throughout each day. Our staff is readily available to provide prompt assistance to our residents' needs.
