About Us

Our Élan Westpointe Assisted Living and Memory Care community is designed to promote active engagement and encourage social interaction between residents and staff. Through a variety of activities and daily programs, our desire is to see that residents live each day with fullness and enjoyment, understanding that the friendships we make are often the key to our sustained happiness.

Why Choose Us

Residents will delight in the care and attention they receive from our compassionate and respectful staff, who are always available to offer support with daily assisted living and specialized memory care tasks. Our goal is to blend an environment of independence with activities that engage the mind, encourage interest, strengthen the physical body and stir the spirit and soul.

We are dedicated to making certain our assisted living and memory care residents are cared for with gentleness, familiarity, and the dignity they deserve. Our primary emphasis is placed on developing activities that help to promote engagement and on creating events to encourage social interaction and involvement.

At Élan Westpointe, you can expect the unexpected. Our New Braunfels assisted living and memory care community offers an array of personal conveniences to suit most any fancy, and we are committed to making certain your personal preferences and needs are met. From our dining plans to our onsite art studio, fitness programs and all points in between Élan Westpointe is a community committed to providing the exceptional.

We invite you to experience the lifestyle enjoyed at Élan Westpointe—where distinction is our difference.
