

Assisted Living & Memory Care

*Where Exceptional
Senior Living Begins*

Welcome Home!

At Elk Creek, we offer a resort-style living environment with the convenience and privacy of your own personal suite. Large windows and closets, ceiling fans, and a kitchenette are included for home-like luxuries. We encourage our residents to make our home your home by adding your personal touches to your new suite.

MEMORY CARE

Dignity. Compassion. Care.

Our residents with Alzheimer's and dementia deserve lives rich with warmth, activity, and feelings of home. We choose to keep our memory care community intimate in order to ensure vital, personal attention. At Elk Creek, memory care is all about interaction and engagement with planned events, ongoing activities and scheduled outings and support groups for residents and their families.

ASSISTED LIVING

Passionate living, at your service.

At Elk Creek, we are committed to ensuring that every service and amenity help create the enriched, active life your loved one deserves. Resort-inspired, our neighborhood beautifully balances privacy and community. Many amenities, including a private dining room, salon, and garden area, are on-site. We develop programs that remind residents that they are part of a loving, engaging community.
