

Welcome

At Tech Ridge Oaks, we are pleased to offer the best assisted living and memory care services in Austin. We strive to create environments that provide peace of mind, along with all the comforts of home. The modern-casual design of our community encourages residents to enjoy life fully in a comfortable and familiar setting.

Our staff ensure that days are purposeful and filled with a true passion for living. We recognize the challenges of transition can be overwhelming, and we are here to lend support to both residents and families alike. Our compassionate staff is in place to see that every need is met with the dignity and respect our residents deserve.

Assisted Living

Through our assisted living program, we blend activity programs that engage and encourage social interaction and familiarity. Our goal is to create a relaxed and comfortable atmosphere, where friendships are easily formed and enjoyment is woven throughout each day. Our staff is readily available to provide prompt assistance to our residents' needs.

Memory Care

Our memory care program is designed to support those coping with the challenges associated with dementia and memory loss. Through the loving guidance of our compassionate staff, residents will become actively involved in programs and activities specifically designed to stimulate the mind through engagement and interaction.
