

Our professional partners make us *stronger*

DOUBLE CREEK
ASSISTED LIVING AND MEMORY CARE

Introducing our **On-site Concierge Services**

Living well is the finest luxury, and we're here to ensure that level of comfort. That's why we've established relationships with some of the area's top service providers to make your life easier. From healthcare to beauty to financial services and more, we'll provide the support. All you have to do is ask.

LEARN MORE ABOUT OUR PARTNERSHIPS ON THE BACK >>

Our partnerships with the area's top service providers enhance the lives of our residents daily

Visiting Physicians

Local geriatric-focused physicians providing personalized, on-site medical expertise and treatment

Home Health Companies

Nurses, therapists, and aides that deliver hands-on support and care services in the community's setting

In-house Therapy Services

Provides convenient, personalized rehabilitation (physical, speech, occupational) to help residents maintain overall well-being

Hospice Companies

Enhances comfort, dignity, and quality of life for residents with terminal illnesses

Visiting Medical Specialty Services

Brings specialized care (such as podiatry and dentistry) directly to residents

Non-medical Home Care

Provides non-medical personal assistance to residents who need help with daily activities

Local Pharmacies

Ensures seamless medication management, convenience, and better health outcomes

Medical Supplies

Ensures quick access to equipment, such as wheelchairs, oxygen supplies, and more

Financial Concierge

Helps residents and families manage senior living costs, access benefits, and simplify financial processes

On-site Salon/Beauty Services

Enhances quality of life, dignity, and self-care, making residents feel pampered, refreshed, and confident in their community

Local Real Estate Experts

Provides smooth transitions, expert guidance, and reduced stress for families moving into a senior living community

Moving Partners

Trusted local senior movers who provide professional assistance, from packing to setting up your new home

Estate Planners

Helps with legacy planning, wills, trusts, and financial security, ensuring peace of mind and smooth transitions for families
